

Welcome to EUOM 2022!

13-14 June 2022

ELI ERIC – Dolní Břežany, Czech Republic

House-keeping Rules

- This is a **hybrid event**. To allow everyone to enjoy and participate in the discussions, please consider the following rules:
 - For those in the audience, **raise your hand** to intervene and **speak only when you have a microphone**
 - For those attending remotely, **mute your microphone** unless you're invited to speak.
- **Q&A:** we encourage you to submit as many questions as you like, at any time during the presentations. Please submit questions via the “**chat**” box at the bottom of your Zoom screen – we will then answer them during the Q&A session at the end of each talk or session.
- This event is **not recorded**.
- **Presentations will be made available** via the event's indico page.

Virtual Seminar: The Benefits of RI.Logistica for Science

Thursday, 16 June 2022 11:00 CEST

- **Speakers: Kitty Fritz-Nielen (European XFEL) and Jörgen Larsson (European Spallation Source) for the RI.Logistica Steering Committee**
- Since the RI.Logistica conference in May 2021, discussions have been continuing within the members of the organizing committee of the online event. Kitty Fritz-Nielen (European XFEL) and Jörgen Larsson (European Spallation Source), as representatives of the RI.Logistica Steering Committee, would like to give some insight in the current plans and discussions which are taking place within this collaboration, involving logistics, shipping and customs specialists at many European research facilities.

The event is addressing in particular the European User Office network - all interested are welcome.

■ Zoom meeting ID: 914 1655 4799

■ Passcode: 619844

■ **Zoom info & link to be circulated also through the European User Offices Mailing list**

Thank you!
