

ELI ERIC - AUSTRIA Partner Day 2025

Date, Location	Friday, 28 November 2025. Technical University Wien, Gußhausstraße 25-27, 1040 Wien Prof. Dr. Arnold Schmidt's room (6th floor)
Dial in details / hybrid events	Physical meeting
Organised by ELI and TUWien	Nad'a Witzanyova, Wolfgang Werner, Zsolt Fülöp, Peter Dombi

The Extreme Light Infrastructure ERIC (ELI ERIC) will convene with Austrian stakeholders in the renowned Arnold Schmidt room to explore and advance collaboration in laser technology, laser-enabled research, and tertiary education in these fields.

This high-level meeting is designed to spotlight the exceptional opportunities that ELI ERIC and its world-class research facilities offer to Austria's policymakers, industry innovators, and academic leaders—paving the way for strategic collaborations at the forefront of laser science and technology.

Agenda

Time	Topic	Moderated by Zsolt Fülöp
10:00 – 10:10	Welcome by TU Wien	Peter Ertl Vice Rector for Research
10:10 – 10:20	Prerecorded Message from Ferenc Krausz, Nobel Laureate in Physics 2023	Ferenc Krausz
10:20 – 10:35	Research opportunities at ELI - a theorist's perspective	Joachim Burgdörfer
10:35 – 10:50	ELI ERIC, a European user facility	Allen Weeks
10:50 – 11:10	Austrian approach to research infrastructures	Karolina Begusch-Pfefferkorn

11:10 – 11:30	Coffee break	
11:30 – 11:45	ELI ERIC – scientific excellence	Andrius Baltuška
11:45 – 12:15	Scientific opportunities at ELI ERIC and its facilities	Peter Dombi
12:15 – 12:30	Value of becoming an ELI ERIC Member	Nad'a Witzanyová
12:30 – 13:00	Discussion	
13:00 – 14:00	Lunch	
	Flash talks by users	
14:00 – 14:15	Alessandra Bellissimo, TU Wien	
14:15 – 14:30	Kurt Hingerl, JKU Linz	
14:30 – 14:45	Martin Schultze, TU Graz	
14:45 – 15:10	Discussion	
15:10 – 15:30	Photonics Austria – introduction to the technology platform	Michael Amiot-Wurzinger
15:30 – 15:50	MedAustron	TBC
15:50 – 16:10	Discussion and end of meeting	
End of meeting
