PRESUPUESTO NO FINANCIERO DE I+D+I CIVIL 2005-2022
en millones de euros

■ Crédito Inicial en I+D+I (Cap. 1-7 NO FINANCIERO) ■ Objetivo UE de inversión pública en I+D+I

- **We have an Industrial sector with deep experience in Science Industry**
- **Laser based research is growing every year in Science Industry in all the fields**
- **Knowledge & Technology Transfer in this field will have more impact in the coming years**
- **Collaboration between Industry and Academia in early stages is critical**

**THANK YOU
FOR YOUR ATTENTION !**
